

## What is a benefit summary?

This is a summary of what the plan does and does not cover. This summary can also help you understand your share of the costs. It's always best to review your Certificate of Coverage (COC) and check your coverage before getting any health services, when possible.

## What are the benefits of the Choice Plus Plan?

### Get more protection with a national network and out-of-network coverage.

A network is a group of health care providers and facilities that have a contract with UnitedHealthcare. You can receive care and services from anyone in or out of our network, but you save money when you use the network.

- > **There's coverage if you need to go out of the network.** Out-of-network means that a provider does not have a contract with us. Choose what's best for you. Just remember out-of-network providers will likely charge you more.
- > **There's no need to choose a primary care provider (PCP) or get referrals to see a specialist.** Consider a PCP; they can be helpful in managing your care.
- > **Preventive care is covered 100% in our network.**

### Are you a member?

Easily manage your benefits online at [myuhc.com](http://myuhc.com)® and on the go with the **UnitedHealthcare Health4Me™** mobile app.

## Benefits At-A-Glance

### What you may pay for network care

This chart is a simple summary of the costs you may have to pay when you receive care in the network. It doesn't include all of the deductibles and co-payments you may have to pay. You can find more benefit details beginning on page 2.

| Co-payment<br>(Your cost for an office visit) | Individual Deductible<br>(Your cost before the plan starts to pay) | Co-insurance<br>(Your cost share after the deductible) |
|---|--|--|
| \$30  | \$3,500  | 20%  |

This Benefit Summary is to highlight your Benefits. Don't use this document to understand your exact coverage for certain conditions. If this Benefit Summary conflicts with the Certificate of Coverage (COC), Riders, and/or Amendments, those documents are correct. Review your COC for an exact description of the services and supplies that are and are not covered, those which are excluded or limited, and other terms and conditions of coverage.

| The deductible is the amount you have to pay for covered health care services (common medical event) before your health plan begins to pay. The deductible may not apply to all services. You may have more than one type of deductible. |  |   |
| > Your co-pays don't count towards meeting the deductible unless otherwise described within the specific common medical event.   |  |   |
| > All individual deductible amounts will count towards meeting the family deductible, but an individual will not have to pay more than the individual deductible amount.   |  |   |

### **What is co-insurance?**

Co-insurance is your share of the costs of a covered health care service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance plus any deductibles you owe. Co-insurance is not the same as a co-payment (or co-pay).

### **What is a co-payment?**

A co-payment (co-pay) is a fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service. You will pay a co-pay or the allowed amount, whichever is less. The amount can vary by the type of covered health care service. Please see the specific common medical event to see if a co-pay applies and how much you have to pay.

### **What is Prior Authorization?**

Prior Authorization is getting approval before you can get access to medicine or services. Services that require prior authorization are noted in the list of Common Medical Events. To get approval, call the member phone number on your health plan ID card.

## Other Important Information about your Outpatient Prescription Drug Benefits

If you purchase a Prescription Drug Product from a Non-Network Pharmacy, you are responsible for any difference between what the Non-Network Pharmacy charges and the amount we would have paid for the same Prescription Drug Product dispensed by a Network Pharmacy.

You are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the retail Network Pharmacy's Usual and Customary Charge, or the lower of the applicable Co-payment and/or Co-insurance or the mail order Network Pharmacy's Prescription Drug Cost.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits. Supply limits apply to Specialty Prescription Drug Products whether obtained at a retail pharmacy or through a mail order pharmacy.

Some Prescription Drug Products or Pharmaceutical Products for which Benefits are described under the Prescription Drug Rider or Certificate are subject to step therapy requirements. This means that in order to receive Benefits for such Prescription Drug Products or Pharmaceutical Products you are required to use a different Prescription Drug Product(s) or Pharmaceutical Product(s) first.

Also note that some Prescription Drug Products require that you obtain prior authorization from us in advance to determine whether the Prescription Drug Product meets the definition of a Covered Health Service and is not Experimental, Investigational or Unproven.

If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you will be subject to the Non-Network Benefit for that Prescription Drug Product.

You may be required to fill an initial Prescription Drug Product order and obtain one refill through a retail pharmacy prior to using a mail order Network Pharmacy.

Georgia law allows you to request, without penalty and in a timely fashion, that we authorize payment for a Prescription Drug Product that is not covered on any tier of the PDL if: You had been taking the Prescription Drug Product prior to its exclusion from coverage and we determine, after consulting with your prescribing Physician, that the PDL's Therapeutically Equivalent drug has been ineffective in the treatment of the disease or condition; or the PDL's Therapeutically Equivalent drug causes or is reasonably expected to cause adverse or harmful reactions in the patient. If the request is denied, you have the right to appeal that decision. The process is described in your Certificate in Section 6: Questions, Complaints and Appeals. You may also call Customer Care at the telephone number on your ID card for assistance.

Benefits are available for refills of Prescription Drug Products only when dispensed as ordered by a duly licensed health care provider and only after 3/4 of the original Prescription Drug Product has been used.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy, you may opt-out of the Maintenance Medication Program each year through the Internet at [myuhc.com](http://myuhc.com) or by calling Customer Care at the telephone number on your ID card. If you choose to opt out of Mail Order Network Pharmacy but do not inform us, you will be subject to the non-Network Benefit for that Prescription Drug Product after the allowed number of fills at Retail Network Pharmacy.

Certain Preventive Care Medications maybe covered. Log on to [www.myuhc.com](http://www.myuhc.com) or call the Customer Care number on your ID card for more information.
